

To Whom It May Concern:

Subject: "**Sole Source Letter**" for all products sold by Classroom Products LLC

This letter is to confirm that our "**One Piece Carrels**", with the front lock lip (which helps hold our study carrel on the student's desk), rounded edges (for student's safety), multiple heights (13", 20" and 24") and the 1/2" stabilizer score (helps the product to sit flat) are sole source products.

This letter also confirms that because of the special adjustable design and the rounded edges (for student's safety), our 17" and 23" **Adjustable Computer Carrels**" are sole source products.

All products are sold and distributed exclusively by Classroom Products LLC. No other company makes an exact or competing product. There is only one price for the above named items because of the exclusive distribution or marketing rights.

These products must be purchased directly from Classroom Products LLC at the address listed below. There are no agents or dealers authorized to represent this product.

Thank you for your interest in our products. We look forward to serving you.

Blessings,

Ronald D Zerrer - Owner
